

DAYLESFORD & THE MACEDON RANGES

Just a stone's throw from Melbourne, the village of Daylesford is right in the heart of Victoria's spa country and has long been Australia's premier spa and rejuvenation centre. The Macedon Ranges region also has a reputation for superior food and wine, thanks to its many renowned restaurants with award-winning chefs, sommeliers, baristas and winemakers. Stay in boutique accommodation, sample the mineral waters, explore antique shops and galleries, go boating on the lake or just relax.
