

GIPPSLAND

Be inspired by a region full of natural wonders, stunning attractions, mountain adventures and spectacular coastlines. Discover unspoilt beaches on Wilsons Promontory, wander through lush fern gullies in the Tarra-Bulga rainforest and drift away on the vast and tranquil Gippsland Lakes. Explore the spectacular scenery of Gippsland's high country, Mt Baw Baw's beautiful wildflowers, spectacular limestone caves near Buchan and magnificent river views at Little River Gorge. With the finest and freshest produce, Gippsland is also the perfect destination for lovers of food and wine.

Seniors Travel

USEFUL INFORMATION FOR SENIORS USING V/LINE

We care about the safety of our customers and the community and have provided some general travel tips below to make your journey as comfortable and safe as possible.

BEFORE YOUR JOURNEY

Plan your journey well in advance and find out where your nearest station or retail outlet is by calling us **136 196** or visit our website at www.vline.com.au

- Purchase and collect your ticket before you travel on public transport.
- You will need to reserve your seat if travelling long-distance
- Make arrangements for mobility aids, guide dogs and seating needs well in advance by calling us on **136 196**.
- Pick up a timetable in advance from your V/Line station.

Buying your ticket

- You can purchase your tickets up to three months in advance.
- When travelling from an unstaffed station, you can purchase your tickets on board the train from the conductor. Only cash is accepted.
- You can travel into and around Melbourne all on one V/Line ticket at no extra cost. That includes metro trains, trams and buses.

Do you have luggage?

- Checked luggage will now only be available on locomotive-hauled long distance services.
- Luggage must be checked in at least 30 minutes before you leave. All items must be properly packed or they will not be accepted. You can only carry bicycles, surfboards etc. on nominated train and coach services where space permits. Call us on **136 196** before you travel to check your service.
- When travelling short journeys passengers now have the flexibility to be able to transfer their own luggage to the train.
- Each passenger is allowed to bring 2 x 20kg pieces of luggage on all train and coach services. Ask station staff for assistance with your luggage.

Travelling with mobility aids

- Mobility aids can be used on all trains, but can only be accepted on road coaches that are wheelchair equipped.
- If you travel with a mobility aid, it needs to:
 - fit within an allocated space of 1300mm (length) and 800mm (width)
 - be no more than 750mm wide at a height of 300mm above the ground
 - the total weight of the mobility aid, its user and any attendant must be less than 300kg.

Wait in a prominent location on the platform so the train conductor may assist you by putting down the ramp.

For coach travel, please call us at least 24 hours in advance on **136 196**.

AFTER YOUR JOURNEY

For next time, make it easier, reserve your return trip at the time of booking your forward journey.

Make arrangements for any mobility aids, guide dogs and seating needs well in advance.

For information and to book your tickets phone us on **136 196**.
