

THE HIGH COUNTRY

Enjoy one of the many scenic drives that wind their way through the region's hills and valleys. The most spectacular of these is the Great Alpine Road, which passes through the heart of the Victorian Alps on the highest road in the state, offering panoramic views as far as the eye can see. Explore the trails that take you to the culinary delights and wineries of the north-east; discover the region's legendary heritage of cattlemen, bushrangers and poets or venture into the area's stunning national parks.

Premier's Award for Victorian Senior of the Year

The Premier's Award for Victorian Senior of the Year and Council on the Ageing Victoria Senior Achiever Awards are about publicly recognising senior Victorians and the vital role they play in our community.

Each year the awards recognise the many women and men, aged 60 and over, who are actively involved in their communities, and who, through their contributions and achievements support and inspire others.

If you know a senior Victorian who is making an extraordinary difference to their community, nominate them for an award.

Nominations are open between June and August each year.

The Awards are presented at a special reception at Government House in October to coincide with the United Nations International Day of Older Persons on 1 October and the Victorian Seniors Festival.

For more information visit www.seniors.vic.gov.au or call Seniors Information Victoria **1300 13 50 90**

Help recognise seniors
