

## THE MURRAY

Unwind and enjoy the region's renowned slow food, wine, golf courses and temperate climate. As you navigate the river on a houseboat, stop along the way to enjoy quality products from boutique winemakers, chefs and restaurants. Explore sandy beaches and red gum forests or one of the many golf courses that line the banks of the river. Test your skill at a range of water sports and outdoor activities or drift away on a paddle steamer and succumb to the Murray's relaxed and peaceful pace.
