

THE GREAT OCEAN ROAD

Winding along the western coast of Victoria through Geelong and the Bellarine Peninsula, discover beautiful beaches, great eateries, a fascinating heritage and a range of recreational opportunities. The many seaside towns such as Lorne, Apollo Bay and Port Campbell offer stunning beaches and water sports, natural attractions such as the Twelve Apostles and some of Australia's best rainforest scenery in the nearby Otway Ranges. Historic towns like Warrnambool and Port Fairy, with their fishing wharves, beautifully preserved colonial buildings and maritime museums, provide a taste of coastal village life.
